Districts with Students Like Ours**	74.8%

\*\* Districts with Students Like Ours are districts with Poverty Indices of no more than 5% above or below the index for this district.

## NAEP\*

\* Performance reported for SC and nation, data not available at school level. Percentages at NAEP Achievement Levels.

## SC PERFORMANCE GOAL

### 2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

### 2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

Printed versions are available from school districts upon request.

## REPORT OF SUPERINTENDENT

Sumter School District Two serves approximately 8,800 students throughout Sumter County. We are a progressive industrial, agricultural, and rural community whose mission is to ensure the highest quality education for each student. Our schools serve students from a 676 square mile area.

District Two is a fiscally responsible school district and prides itself on being a good steward of the taxpayers' dollars. We keep a close eye on our expenditures and make sure we spend the dollars where they are most needed. We continue to seek grants to enhance the quality of instruction in our district. We are currently involved in building projects to enable us to make renovations and additions to eight of our schools and the Sumter County Career Center.

The district was visited in March by a quality assurance team who recognized us as a "quality school system." The international accrediting organization visited the district and schools, certified that District Two met all the standards, and recommended that District Two receive the AdvancED Accreditation. Only 20 other school districts in the state have earned this accreditation. Many areas were reviewed in earning the accreditation, and the process included an intense look at instruction, faculty and staff professional development, technology, communication, and leadership.

Although our District has made significant strides in test scores in most areas, our instructional leaders remain diligent in addressing areas for improvement in performance on the PASS and other standardized testing. District teachers continue to participate in professional development activities, studying the latest Standards In Practice, reviewing and learning from student results from Benchmark and MAP tests, and updating plans to increase student learning. The district staff development program continues to provide training in a variety of professional areas.

Although we faced dire budget cuts during the 2008-2009 school year, our Board of Trustees remained committed to academic excellence and fiscal responsibility. District administrators and employees continue to provide and enhance the educational quality that exemplifies Sumter School District Two.

We are proud of our outstanding academic, athletic, and additional extracurricular programs. Our combined senior classes of 2008 from Crestwood and Lakewood High Schools earned a combined total of \$16.8 million in scholarship funds. It is an exciting time in Sumter School District Two. For up-to-date information in the district, visit our website at [www.Sumter2.org](http://www.Sumter2.org), which includes links to all of our schools, or visit our schools and see why we are so proud of each of them.

J. Frank Baker  
Superintendent
